Call to Worship Rev. Darcey Johnson

Creator God that deeply grounds and uproots,

We give thanks for the opportunity to worship in your name!

Christ, who knows what kind of year this has been,

We give thanks that your grace sustains us through every day and each decision.

Holy Spirit, whose refining fire is at work and who raises up hope from the ashes,

We ask for the bold humility to follow where you lead.

Faithful God, we bring all of who we are to this time - our hopeful, weary, invigorated, and authentic selves.

And ask that you Holy One, continue to renew and make steadfast the call for the sake of your church, your people, and your world.

In the name of Christ, AMEN!
