

Partner with the District Alignment Team- May 3 Feedback Form

This form can be filled out after the May 3 Listening Sessions and mailed into the conference center:

ATTN: Carol Draper

P.O. Box 5606

Glen Allen, VA 23058

Several times throughout the presentation, you will be asked to take a few moments to make note of your feedback regarding particular recommended strategies & pathways. Below are the questions that will be asked.

1. Based on the first two recommendations: What resources do you think would be most helpful for our clergy?
2. Describe how you would like to see your church form new connections in your community? (based on recommendations 1 & 2)
3. As you engage in district and conference processes, what is the biggest administrative headache that you wish would be addressed? (based on third recommendation)
4. Where do you see replication across districts and conference – where multiple groups are focused on the same issues/tasks? (based on third recommendation)
5. What district practices do you think have outlived their usefulness? (based on recommendations 4 & 5)
6. What are ways to ensure that clergy are supported equally across the conference regardless of what district they serve? (based on recommendations 4 & 5)

7. What are some ways you would measure your church's success in reaching your community? (based on recommendations 6)

8. How can we change the ways we measure success in order to encourage fearless innovation in our churches? (based on recommendation 6)

9. Are there any questions that you would like to further share with the iDAT?
