

Grace: How God Saves Us

John Wesley described the Way of Salvation like a HOUSE.

There's a PORCH on the front, where God welcomes you and asks you to come in. There's the FRONT DOOR, once you come through, you're no longer outside, you're inside. Then there's the ROOMS INSIDE, where you spend your life exploring and growing closer to God.

Grace: The PORCH. The Holy Spirit works in everyone, before you even realize it, God is calling you to come and be made whole.

Grace: The FRONT DOOR. When you respond to God's invitation by confessing Jesus Christ as your Lord and repenting (turning away from) your sins, you are brought into God's family.

Grace: The ROOMS INSIDE. Not just saved from sin and Hell. We are saved for a life of discipleship, or following Christ. "Sanctify" means to make more like God. Your whole life now is growing by the MEANS OF GRACE to know God more and more, and to transform the world! You will mess up, but God's grace is big enough, and NOTHING can separate you from the love of God!

THE KINGDOM OF GOD IS LIKE...
